6. The Neville Wadia Institute of Management Studies & Research, Pune. (Estd.-1992)
7. MES College of Engineering, Pune. (Estd.-2000)

The College located on a campus admeasuring 40, 217 square metres owes its pre-eminence in the sphere of education to Seth Gordhandas Jadavji Ruparel and his younger brother Seth Narayandas Jadavji Ruparel of Messrs Doongarsee Gangjee and Sons, Mumbai. In grateful appreciation of their generous and profound interest in our institution, it was named 'The Doongarsee Gangjee Ruparel College'. Their father Seth Jadavji Doongarsee and uncle Seth Lalji Doongarsee, who had close association in business with Messrs Nowrosjee Wadia and Sons

was continued by Seth Gordhandas and Seth Narayandas by the establishment of the Ruparel College in Mumbai; a sister institution of the Wadia College which the Wadia brothers, Sir Cusrow and Sir Ness helped the Society to establish in Pune.

The College situated in the Metropolitan City of Mumbai, is the only College of its kind that can boast of having a spacious campus with clean and green environment. It is located opposite Matunga Road Station (W. R.) and is a few minutes walk from Shivaji Park. The campus, known as the Ruparel College campus has Arts, Science, Library, Gymkhana and Canteen buildings, Boy's Hostel, Principal's bungalow, two Vice - Principal bungalows and the Administrative building. The New Law College functions from the Arts building of the Ruparel College.

Junior College (Higher Secondary) classes started functioning with the Degree College in 1975. In 1980, various bi-focal Vocational courses were introduced at the +2 stage. At present, Electronics, Computer Science and Electrical Maintenance are offered at the +2 stage. In 1988 - 89, Minimum Competency Vocational Course (MCVC) was introduced. The new Three Year Degree course was introduced by the University of Mumbai in 1977. The Commerce faculty was introduced in the College in 1979 - 80 and the first batch of T. Y. B. Com. students appeared in 1983.

The College has completed more than fifty five years of glorious service in the field of academics, sports, performing arts and other extra curricular activities. The College, affiliated to the University of Mumbai has gathered the reputation and social recognition over the years as an institution second to none, a fact that is more than adequately proven by commendable performance of our students at the Higher Secondary Board and University examinations; I.I.T., Engineering, Medical and Management joint entrance examinations. About fifty percent of students in the merit list of H.S.C. examination are from our College.

For the last 30 years we are successfully running the 'Brihanmumbai Centre for Talent Search' (BCTS), which aims at young talent from schools and colleges to prepare for competitive examinations such as National Talent Search (NTS), Pre-medical Test (PMT) and I. I. T.'s JEE. More than 2000 students of this centre have secured the coveted NTS scholarships in the past 30 years.

The College has produced a number of luminaries in the field of academics, sports and extra curricular activities. Padmavibhushan Dr. Anil Kakodkar, Chairman, Atomic Energy Commission; Shri Anil Joshi, MD, Dena Bank; Shri Subhash Dandekar, Chairman, Camlin Industry; Padmashree Padmaja - Phenani Joglekar (Vocalist), Shri Gajanan Pendharkar, MD, Vicco Laboratories, Shri Ajit Agarkar, Ramesh Powar (cricket), Miss Urmila Matondkar (Film star), Shri Ashok Hande (Stage Artist) are some few in a forest of luminaries.

The College has set its goals and objectives in tune with the aspirations of our students vis a vis the needs and expectations of the society. We strive to impart quality education to our students and encourage them to participate in various co and extra curricular activities to bring out the best of their talents so as to enrich their multidimensional personality development in the modern world of 21st century.

At present the College admits students for certain Post Graduate Courses for M.Sc. by Paper & by Research and Ph.D. Degree in subjects Chemistry, Botany and Zoology.

Keeping abreast with the advances in the world around and the need of the hour, the College is offering the following paper/courses on a No Grant Basis:

SELF-FINANCED COURSES

Bachelor of Science [Information Technology] (B.Sc. (I. T.))

Admission to Bachelor of Science (Information Technology) Degree Course

As per the University of Mumbai Circular No. UG/283 of 2007 dated 16.06.2007, following are the Ordinances 5051 and 5053 relating to the eligibility for admission to the B.Sc. (I. T.) Degree course:

0.5051:

1. A candidate for being eligible for admission to the *First Year* of the Degree course of Bachelor of Science (Information Technology) [B.Sc.(I. T.)], shall have passed XIIth Standard examination of the Maharashtra Board of Higher Secondary Education or its equivalent with Mathematic and Statistics as one of the subject and should have secured not less than 45% marks in aggregate for open category and 40% marks in aggregate in case of reserved category candidates.
2. Candidates who have passed Diploma [Three years after S.S.C. (Xth) Standard] in Information Technology / Computer Technology / Computer Engineering / Computer Science / Electrical, Electronics and Video Engineering and Allied Branches / Mechanical and Allied Branches / Civil and Allied branches are eligible for direct admission to the *Second Year* of the B.Sc. (I. T.) Degree course. However, the Diploma should be recognized by the Board of Technical Education or any other recognized Government Body. Minimum marks required 45% aggregate for open category candidates and 40% aggregate for reserved category candidates.

OR

Candidates with post H. S. C. -Diploma in Information Technology / Computer Technology / Computer Engineering / Computer Science and Allied branches will be eligible for direct admission to the *Second Year* of B.Sc. (I. T.). However, the Diploma should be recognized by the Board of Technical Education or any other recognized Government Body. Minimum Marks required 45% aggregate for open category candidates and 40% aggregate for reserved category candidates.

0.5053:

1. No common entrance test will be conducted.
2. Admission will be on merit, based on order of preference as follows:
 - i) Marks in Mathematics and Statistics at H.S.C. or equivalent.
 - ii) Aggregate Marks at H.S.C. (XIIth Standard) or equivalent.
 - iii) Aggregate Marks at S.S.C. (Xth Standard).

Syllabus for B.Sc. (I. T.)

The scheme of the modules shall be as follows :

FIRST YEAR

Semester I

1. Professional Communication Skills
2. Applied Mathematics - I
3. Fundamentals of digital Computing
4. Electronics and Communication technology
5. Introduction to C++ Programming

Semester II

1. Web Technologies
2. Applied Mathematics - II
3. Microprocessor and Microcontrollers
4. DBMS
5. Digital Computer Networks

SECOND YEAR

Semester III

1. Computational Mathematics
2. Systems Programming
3. Object Oriented Programming
4. Computer Networks
5. Logic Discrete Mathematical Structures

Semester IV

1. Data base concepts and Systems
 2. Operating Systems
 3. C++ and JAVA
 4. E-Commerce
 5. SW Engineering
- * Revised syllabus will be made available on receipt of circular from the university

THIRD YEAR

Semester V

1. Internal Security
2. Visual Basic 6
3. SQL 2

4. Elective I : Embedded System and Programming

5. Elective II : Management Information Systems

Semester VI

1. C# (pronounced as C Sharp)
2. Internet Technologies
3. CRM
4. Elective III : Project Management
5. Project

Scheme of Examination

- i. Each Theory paper of 100 Marks
- ii. Term Work / Practical / Tutorial of 50 Marks per paper.
- iii. Semester VI has a project work of 200 marks.

R 4411 - Passing Standards

1. A student is said to have passed if he / she secures 40% of marks allotted in each head of passing. Theory of 100 marks and (Term Work / Practical / Tutorial of 50 marks) are treated as separate heads of passing.
2. A student is said to have passed a Semester if he / she passes in all heads of passing of the semester.
3. A student is eligible to be admitted to Semester II irrespective of Number of heads of failure in the First Semester.
4. A student is eligible for admission to Semester III if either the student passes Semester I & Semester II

OR

The student fails in a combination of Theory and/or Practical taken in Semester I or Semester II or together where the total marks does not exceed 200.

5. A student is eligible for admission to Semester IV irrespective of Number of heads of failure in Semester III. However, the student has to clear Semester I and II, in order to appear for Semester IV examination.

6. A student is eligible for admission to Semester V if either the student passes Semester III and IV

OR

The student fails in a combination of Theory and/or Practical taken in Semester III or Semester IV or together, where the total marks does not exceed 200.

7. A student is eligible for admission to Semester VI irrespective of number of heads of failure in Semester V. The results of VI should be kept in abeyance until the student clears Semesters III, IV and V in full.
8. The class is awarded Semester wise for Semesters I, II, III & IV. However, Semesters V and VI will be taken together for award of class i.e. in final year.
 1. Award of class is based on first attempt and all papers given in the same sitting.
 2. Students passing in parts will be awarded Pass class irrespective of the cumulative percentage of marks.

M.Sc. (Information Technology)

Admission criterion for M.Sc. Part I by papers:

For admission to M.Sc. (I. T.), following conditions will apply:

There will be 20 seats. All the admissions will be on merit (i.e., percentage of aggregate marks secured for the qualifying examination). Reservation criteria are followed as prescribed by Government of Maharashtra and Mumbai University at the time of admission.

Students securing minimum 45 percent marks at the three year B.Sc. degree in Information Technology of Mumbai University or any recognized university are eligible

OR

B. Sc. (Computer Science) BCS with minimum 45 percent marks

OR

BE in any Branch with minimum 45 percent marks

OR

BE degree in Information Technology with 45 percent marks

Registration as postgraduate student: Every candidate admitted for M.Sc. (I. T.) will have to register as a postgraduate student of Mumbai University.

Scheme:

There will be 4 papers per year. Each paper will have 100 marks for theory and 50 marks for practical/case study/seminars.

- a) For M.Sc. Part I all the papers will be compulsory.
- b) M.Sc. Part II will have two subjects compulsory and two elective subjects

Each paper will have minimum 4 theory lectures per week. Each lecture is of 1 hr duration. The lectures will be organized in such a way that each paper will have minimum 100 hours contact sessions for the year.

Standard of passing:

For M.Sc. Part I: To pass examination a candidate will have to secure

- 1) Minimum 20% marks in each theory paper and minimum 40% marks in aggregate for all the subjects.

For M.Sc. Part II: To pass examination a candidate will have to secure

- 1) Minimum 20% marks in each theory paper and minimum 40% marks in aggregate including dissertation work on the project..
- 2) The submission of dissertation work is compulsory and student should appear for viva voce for the same.

The candidate is allowed to keep terms for maximum of all the subjects for the Part I but can take admission for Part II. However the result of such student for Part II examination will not be declared till candidate successfully completes Part I examination.

Award of class: As per the prevailing norms for other science subjects.

M.Sc. (I. T.) – Part- I**Subjects**

- 1 Computer Simulation and Modeling & Programming with Components
- 2 Mobile Computing & Advanced Computer Networks
- 3 Image Processing & Speech Recognition
- 4 Data Warehousing and Mining & Advanced Database Systems

M.Sc. (I. T.) – Part- II**Subjects**

- 1 Software Testing & Information Security
- 2 Artificial Intelligence & Robotics
- 3 Elective I : Parallel Processing, & Distributed Computing

- 4 Elective II : Multimedia systems and convergence of technologies & Java Technology
- 5 Project,

M. Sc. (Computer Science)**Admission criterion for M.Sc. Part – I:**

All admissions will be made on merit on the percentage of aggregate marks secured at the qualifying examination. Reservation norms will be followed as prescribed by the University of Mumbai and Government of Maharashtra. A candidate for being eligible for admission to the *First Year* of the two year M.Sc. (Computer Science) degree course must have passed

The Bachelor of Engineering (B.E.) Degree examination from a recognized University,

OR

The B.Sc. (Computer Science)/B.C.S./B.Sc.(I. T.) Examination from a recognized University.

Admission to Bachelor of Management Studies (B.M.S.) Degree Course

As per the University of Mumbai Circular No. UG/278 of 2007 dated 16.06.2007, following is the Ordinance 3941 relating to the eligibility for admission to the Bachelor of Management Studies (B.M.S.) Degree course:

TESTS & EXAMINATION JUNIOR COLLEGE

IMPORTANT INSTRUCTIONS FOR STUDENTS

Students are informed that Revised Curriculum has been implemented for all the subjects with effect from the academic year 2006 – 2007. The details of the syllabus, scheme of examination, important information/instructions etc will be informed by the Teachers in the classroom or will be displayed on the Notice Board. Students should regularly attend lectures and refer Notice Boards. The College will not be responsible if a student is unaware of any important information/instruction given in the classroom or displayed on the Notice Board. The salient features of the Examination Scheme for Languages and Environment Education is given below:

Examination Scheme for Environment Education:

(For F.Y./S.Y.J.C. Arts, Science & Commerce)

This subject is compulsory for all the students and is prescribed for 100 marks consisting of written examination of 60 marks and Project Work of 40 marks. The College will conduct written examinations and assess the Project work.

Students will have to appear for the following four written examinations conducted by the College:

1. First Unit Test of 30 marks of one hour duration in the month of August
2. Terminal Examination of 60 marks of 2 hours 30 minutes at the end of the First Term.
3. Second Unit Test of 30 marks of one hour duration in the month of December
4. Annual examination of 60 marks of 2 hours 30 minutes in the month of January

Thus, the students will be examined for maximum marks of 180. The average maximum marks will be calculated by dividing the maximum marks of the four examinations (180) by 3. Thus, Average maximum marks = $180/3 = 60$ marks. The marks secured by students in all the four examinations will be divided by 3 to arrive at average marks secured out of 60.

Students will be required to submit the Project Work as per the schedule informed in the classroom or displayed on the Notice Board.

If a student fails to appear for the above four examinations or fails to submit the Project Work, he/she will be declared 'FAIL' in the subject and consequently in the H.S.C. Board Examination.

To pass in this subject, it is mandatory for a student to secure a minimum of 21 marks out of 60 marks in the written examination and a minimum of 14 marks out of 40 marks in the Project Work i.e. a minimum of 21 + 14 = 35 marks. If a student fails to get a minimum of 35 marks, he/she will be declared 'FAIL' in the subject and consequently in the H.S.C. Board Examination. As per H.S.C. Board Rules grace marks cannot be given in this subject. Students should note that, even if they score more than 35% marks in the written examination but fail in Project Work or vice versa, they will be declared 'Fail' in the subject and consequently in the H.S.C. Board Examination.

The total of the average marks secured by students in the four written examinations (out of 60) and the Project Work (out of 40) will be converted into Grade as shown below and will be submitted to the H.S.C. Board which will be reflected on their Mark sheets.

Grade A : 60% and above, Grade B : 45% to 59%,
Grade C : 35% to 44%, Grade D : 34% and below.

It will be the responsibility of the student to appear for all the four written examinations and submit the Project Work as per the schedule informed in the classroom or on the Notice Board. Under no circumstances the College will be responsible if a student fails to appear for the above four examinations or fails to submit the Project Work.

**Examination Scheme for Languages:
(For S.Y.J.C. Arts, Science & Commerce)**

Every language (English/Marathi/Hindi/German/French/Japanese) is prescribed for 100 marks consisting of written examination of 80 marks of 3 hours duration and an Oral examination of 20 marks. Written examination will be conducted by the H.S.C. Board and the Oral examination will be conducted by the College and the marks will be submitted to the H.S.C. Board.

In the Oral examination, students will be examined in their skills in Listening (6 marks), Reading (4 marks), Speaking (5 marks) and Conversation (5 marks). It will be held before the commencement of the Annual H.S.C. Board Examination as per the schedule received from the Board. It will be mandatory for every student to appear for the Oral examination as per the schedule displayed on the Notice Board.

If a student fails to do so, he will be reported 'Absent' and no marks will be assigned to him. The College will not be responsible, if a student fails to appear for the Oral Examination.

Certificate Subject : Health & Physical Education :

The subject will not be for Higher Secondary Certificate Examination. But the candidate will not be held eligible to appear for the Higher Secondary Examination unless he/she produces a certificate of having satisfactorily completed the course in this subject.

**EXAMINATION SCHEME FOR
F. Y. J. C. ARTS, SCIENCE AND COMMERCE**

The Schedule of College Examinations that will be conducted during the academic year is as follows :
