

# The D. G. Ruparel College of Arts, Science and Commerce

Mahim, Mumbai 400016.

## Admission to First Year Junior College (XI<sup>th</sup>) Arts, Science and Commerce Streams

**2008 – 2009**

As per the Circular dated **30<sup>th</sup> June 2008** issued by the Deputy Director of Education, Government of Maharashtra following are the average marks of the top ten students of the various Examination Boards:

1. ICSE Board: 97.80%                      2. CBSE Board: 97.74%                      3. SSC Board: 96.12%

### Method of Calculation of Percentile marks:

1. The average marks scored in percentage (**A**) by the top ten students of an Examination Board will be considered as 100 Percentile.
2. The marks scored in percentage (**M**) by a student of that Board will be converted into Percentile (**P**) as follows:

$$\text{If, } A = 100$$

Therefore,  $M = ?$  [i.e. Percentile (P)]

$$\text{Therefore, } P = \frac{M \times 100}{A}$$
